

AVID STUDENT CONTRACT
Advancement Via Individual Determination
Quartz Hill High School

Name of student _____

I, the student, understand that participation in the AVID Program requires a great deal of hard work and dedication in order to help meet the following goals:

1. Achieve academic success in college preparatory classes
2. Complete all college eligibility (A-G) requirements successfully
3. Enhance personal development and citizenship through participation in extracurricular activities and community service
4. Enroll in a four-year college or university after high school graduation

In order to meet these goals, I agree that I should:

1. Maintain outstanding citizenship in all classes
2. Join a club, sport, and/or perform community service each year
3. Attend all of my classes regularly with no truancies or unexcused absences
4. Maintain the AVID binder with daily notes in all classes
5. Participate regularly in all classes
6. Complete all homework assignments, on time, in each class
7. Bring all of the materials needed for each class every day
8. Perform regular college preparatory activities (university research, scholarship applications, etc.)

Student Requirements:

Students may be placed on probation and/or removed from AVID for failure to follow these requirements:

1. Maintain a 2.0 (unweighted) or higher GPA
2. Pass every class with a C or better at the end of each semester
3. Enroll in at least 2 AP courses (recommended 3 or more) through senior year
4. Take the PSAT by 11th grade and the SAT/ACT by first semester of 12th grade
5. Apply to at least 1 four-year university by first semester of 12th grade
6. Stay enrolled in the AVID elective for at least three years

Student Agreement:

I agree to accept enrollment in the AVID elective class, which will offer academic support to me. I want to succeed, and I understand that I must take individual responsibility for my own success. I understand that I will be allowed to remain in the program only if I meet the student responsibilities outlined above. I know that by taking honors level courses earlier in high school, I will be better prepared for success in AP courses and college classes.
