Examining Groups

Make a list of the groups to which you belong - at work, home, school, or in the community.

Use the groups you identified to answer the following questions:

1. What kinds of behaviors are expected in each group?

2. What if you did not conform to these expectations?

3. In what ways do you participate in the groups?

4. Are there any leaders in the group?

5. How did they become leaders?
