

Opening Activity #34

Joe is an MMA fighter

He recently found out that he is HIV positive

He also recently found out that his blood doesn't clot properly

If he takes a blow he could bleed a lot

He's getting treatment for his blood disorder and his HIV

He wants to keep fighting

He wants to be open about his condition but is afraid of the reaction that he might get from the fighters and promoters

1. What is the decision/problem Joe needs to confront?
2. List 2 opposing options that Joe can select
3. What could be the outcome of his two choices
4. What is important to Joe in this situation?
5. What decision would you make? Why?
6. How does the story end?
