

SIX WORD STORIES

Instructions

You will be creating your own six word story. These stories will be shared with the rest of the class, so remember your audience. Your task is to create tell your story in only 6 words. You will need to make sure your six words are

- Effective
- Descriptive
- Creative
- Not-cliché

Process:

1. Brainstorm ideas or topics that are important to you
2. Start drafting statements that express what you believe. Don't worry about length at this point.
3. Pick a statement that really stands out
4. Try creative ways to whittling your sentence into six precise words.
5. Get feedback from someone else
6. Create your six word story on the next page. Illustrate as you see fit.
