

# ACTIVITY 86 Concept Map

FOR USE WITH CHAPTER 29, LESSON 1

## Preventing STDs

**Directions** ➤ Complete the concept map on factors affecting STD risks among teens. Use the following terms or phrases: *intravenous drug use, Pap tests, denial, common myths, medical help, unprotected sex, antibiotics, and fear parental disapproval.*

How might the factors affecting STD risk work together to make the STD risk greater for teens? Give an example.
